Tune your instrument

Choose any major key on the chart

Count 1 - 2 - 3 - 1 - 2 - 3 and start:

Using your right thumb press down on the top string and then use your index fingernail to play down on 2 and then down on 3, next press down on the 2nd string with your thumb again and play down on 2 with your index fingernail and down on 3. Make sure you play on the fingertips of your left hand and you apply enough pressure to get good sound. Count 1 - 2 - 3 and so on, as you play, it is part of the assignment. Practice until your rhythm is steady.
